

## 2011 Tour Registration and Waiver Form

Please print and mail the full document, including signed waiver, for each participant

### General Information and Conditions:

**~Sag Service:** Tour SAG service is designed to transport luggage to the next destination and be present at limited, selected points along the cue sheet route to assist cyclists with mechanical and personal needs, provide snacks, drinks and lunch, and assist with emergencies. Trailside support drivers attempt to leapfrog tour participants, with a focus on providing support to the slower paced cyclists. Success is sometimes limited by road conditions, driving route and terrain, and the daily spread of the group.

**~Trip fees:** Trip fees enable a full-service tour experience, including indoor lodging, tour meals, one-way chartered transport, and prepared tour literature. As with all trips you should be prepared for incidental costs such as but not limited to transportation to and from the trip start, bike transport to/from the start, meals classified as non-tour, hotel incidentals, personal entertainment, phone calls, and ferry rides. The Get Out & Go Tours web site includes links and tour data for the routes used, so that you can learn more about the areas we visit, see your accommodations, etc. Get Out & Go Tours reserves the right to make modifications in lodging, food, and itinerary items as it deems necessary to improve the comfort and safety of the participants. Get Out & Go Tours is not responsible for expenses not specified as included in the trip fee.

**~Accommodations/Lodging:** Tours are priced for double occupancy in bicycle friendly motels and Inns (most rooms can accommodate up to 4 persons). Single occupancy, if available, may be at a premium. Those wishing for single occupancy should consult the Tour Director before committing to a tour. If registering without a roommate preference, the tour coordinator will pair you with a same sex roommate. If a same-sex roommate pairing does not exist as of the trip date, you will be allowed a single room without additional charge. Get Out & Go Tours reserves the right to change rooming arrangements to suit trip needs, but will not split up rooming preferences without participant agreement.

**~Bike Equipment and Safety:** Our prime concern (along with your enjoyment of the trip) is your safety. A hybrid or mountain bike in excellent working condition is necessary for trail tours. **Each cyclist is expected to carry basic tools including those needed to change a flat, and know simple bike maintenance (like changing a flat).** Wearing of helmets is mandatory. Trip coordinator will include specialized tools, some spare tires and tubes, and a variety of gear found useful on previous trips. Please check with tour coordinator if you have questions.

**~What to Pack and Bring:** When registering, you will receive a confirmation e-mail and welcome letter that contains lots of pre-trip information, including baggage requirements. A list of necessary and suggested items to pack will be included on the website.

**~Payment and Cancellations:** Tour size is limited to maintain a friendly and personal nature, and maintain an ability to support remote-access kind of trips. Therefore, it is recommended that you reserve space early with a **\$100 PER PERSON non-refundable deposit and completed WAIVER** - as trips sometimes fill quickly. **Tour balance is due 30 days prior to any registered tour.** Non-payment of balance by 30 days prior to your tour may result in cancellation, particularly if there is a waiting list. Late payment of balance due, or late registration (less than 30 days prior to a tour), is subject to an additional fee of \$25.00. **Cancellation between 30 and 14 days prior to a tour forfeits 50% of tour fee. Cancellation less than 14 days prior to a tour forfeits entire trip fee,** unless there is a replacement on the waiting list who takes the spot. If some unexpected reason such as an act of God, impacts the tour route such as to render it impassable, Get Out & Go Tours reserves the right to re-route the tour. If such an event, or set of events requires Get Out & Go Tours to cancel the trip, a full refund will be provided.

**~Transportation:** It is up to each participant to make their own arrangements for getting themselves and their bicycles to the ride start, and home from the end. However, the coordinator usually works with the starting location for parking and will help coordinate local participant ride-pooling. Please contact the tour coordinator for assistance.
